ARTICLE CODE	DESCRIPTION
FTP-0002	Anti-slip floor tile solid - 500x500x22mm

BRAND

Qubb

PRODUCT DESCRIPTION

Professional tile solution for cold rooms or freezer rooms, commercial kitchens, sanitary areas and workshops
Perforated design
Moisture and condensation drain away easily, while the walking surface remains dry and safe
Quick and easy to clean, the tiles can be removed in no time
Anti-slip, prevents slipping, safe and can also be used outside the cold room (-15°C to +60°C)
Ideal for low storage, yet off the ground (ideal for heavy items)
The perfect addition to standard racking systems installed in cold rooms
Tiles click firmly together for a stable floor surface
Cold and frost resistant
Packing: 300 pieces/pallet
